Café Imagination

330 Sherbrooke W., Montreal, Qc., Canada

17h30 to 19h30

What is a Café Scientifique?

A forum for discussion about current scientific issues, which takes place in an informal setting

Who will attend?

IC-IMPACTS HQPs

Which topics will be discussed?

Through guided discussion, participants will be invited to share their experience with their current research project and to learn more about the projects of others.

Do I need to prepare something?

Think about ONE question, challenge or dilemma related to your project to share with the other participants. It is the occasion to collect feedback and new ideas for your unsolved queries!
